

Small Business Development Counseling

The Broomfield Chamber of Commerce has partnered with the City and County of Broomfield and the North Metro SBDC to offer free, confidential one-on-one business counseling services on-site at the Broomfield Chamber.

The free one-on-one counseling services are in the areas of business research and marketing, new business feasibility analysis, business plan preparation, finance packaging and other small business topics. It's up to you what you would like to accomplish during your sessions.

Counseling will be available between 9am and 1pm the second, third and fourth Monday of each month. Typically, each counseling session will last one hour. The services being offered at the Broomfield Chamber are for Broomfield residents and businesses residing in Broomfield.
