LEADERSHIP Broomfield

Be the leader that helps create the community you want to live in

Leadership Broomfield builds a sense of community by identifying individuals with the passion and commitment to become personally engaged in issues, programs and activities aimed at building a better City and County of Broomfield.

The Purpose of this Program is:

- To define and enhance leadership abilities
- To connect with local leaders in a variety of areas
- To expose community leaders to the challenges and opportunities that face the City and County of Broomfield
- To determine how to become more involved in leadership roles within the community
- To build lasting professional relationships with community leaders

Program sessions will be held once per month in October, November, January, February, March and April. Each session is from 7:30 a.m. – 12p.m. Breakfast will be provided at each meeting.

Testimonials from Previous Leadership Alumni:

"One of the most beneficial aspects of the program was the relationships that came from it." - Kurt Sava, Sunflower Bank

"To reach the highest level of effectiveness, you have to raise the lid of leadership ability." -Statement from John C. Maxwell's "Leadership 101: What every leader needs to know."
